

GUEST PARKING

ADDRESS

212 3rd Ave N | Suite 310 | Minneapolis, MN | 55401

PARKING

Guest parking is available in the pay lot behind our building [Colonial Warehouse] off Washington Avenue.

Before heading into the building, take note of your vehicle's make, model, color, and license plate. Be sure to give us that information and Punch Through will validate your parking for the length of your visit.

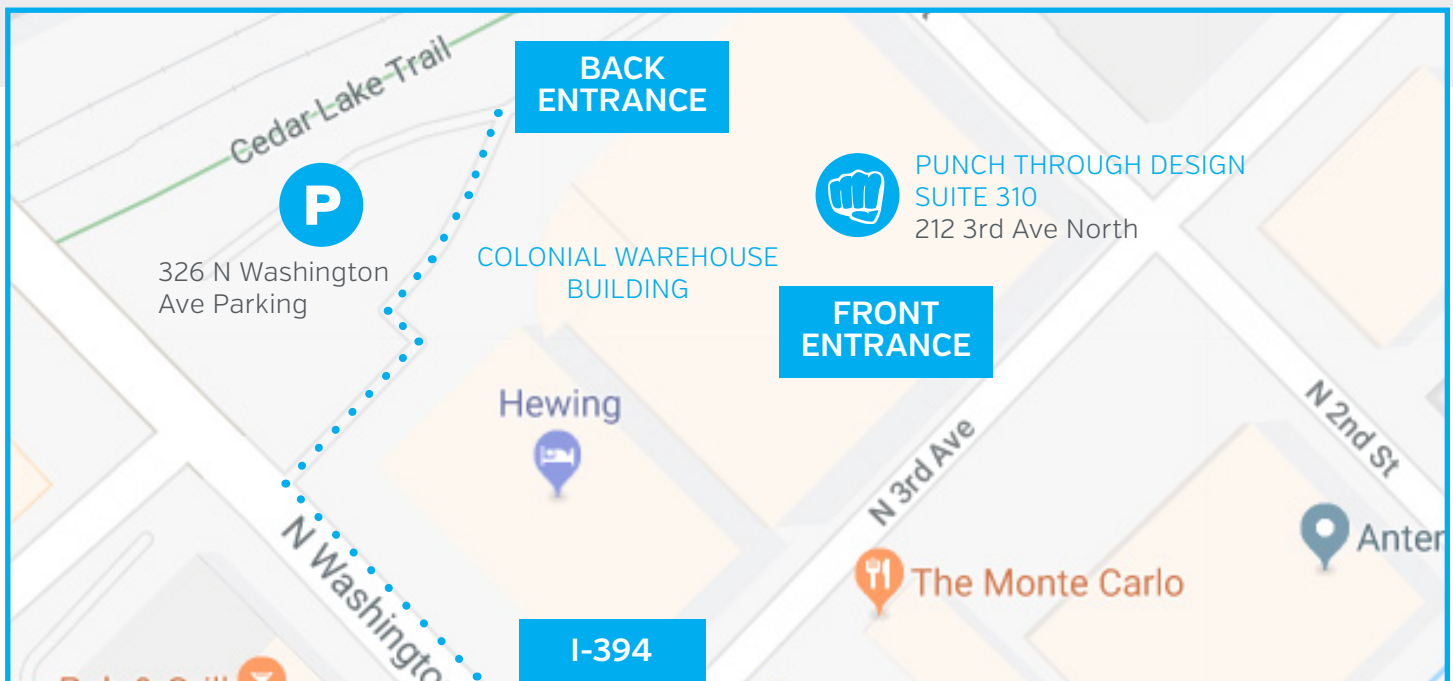

You may enter the building through either the back or the front entrance. The back entrance is connected to the parking lot, which is more convenient when utilizing the lot. Otherwise, the building's main entrance is located off 3rd Avenue.

OFFICE

Suite #310 is a corner unit on the 3rd floor facing both 3rd Avenue and 2nd Street.

From the front entrance, take the elevators immediately to your left after you enter the building. Go up to the 3rd floor. This set of elevators will open up directly outside of our office.

From the back entrance, walk straight ahead and turn right at the Passenger Elevator sign. Take the elevator to the 3rd floor and walk straight ahead. Our office is located at the end of the hall on the left side directly across from the main entrance elevators.

We look forward to seeing you!
